October 2013 Newsletter

Hello again, another opportunity to talk about the weather, and hasn't it been beautiful, and if this Indian summer lingers on I'm certainly not grumbling. An opportunity to plant your bulbs without Jack Frost, get fruit trees and shrubs down and don't forget your lawn, sprinkle sand and moss killer before the moss takes over the grass this winter, especially if your garden is shaded.

Once again its **Prize giving time and the Autumn talk at Burgh House on Sunday 3rd November 2013, from 2.30 pm to 4.30 pm.**

Cups and certificates for the Spring and Autumn show winners will be presented. Prize giving brings us to the end of another year and your committee is preparing next years outings as you will see in the 2014 Programme at the end of the year. In the meantime we can give you a glimmer under HHS ACTIVITIES.

Our speaker this year Mr Francis Quesada-Pallares will enlighten us all on how to **Cultivate your Phalaenopsis Orchids**. Don't be afraid to ask about other window sill orchids as he grows over 250 different orchids on his window sill or under lights. Francis will be bringing orchids to sell after the talk

The Autumn Show at All Saints Church hall in Childs Hill was adorned outside with plants for sale and the interior display of classes Horticultural and Domestic was on view, again minus new names.

It is such a shame, surely between balconies, gardens and allotments we can find plants to show each other, even one blooms. After all, that's what HHS is about. And it is fun.

Would you prefer a section that is not judged?
More about the show later.

Last year's winners: please polish and return all cups and trophies to Margaret Scanlon by the 20th October. Margaret's Tel: 020 8452 3143 to organise collection or delivery dates/times etc.

Directions to Burgh House

Burgh House is within easy reach of Hampstead tube station and the 210, 268 and 46 bus routes. Leave the 210 at Whitestone Pond, walk down Heath Street, turn left into New End and Burgh House is on the left of New End Square. From Hampstead tube station walk down the High Street, turn left along Flask Walk and you will find Burgh House at the end, on your left. Leave the 268 or 46 outside Waterstone's book shop in the High Street and take the Flask Walk route. Tea should be available downstairs in the delightful Buttery after the lecture.

RESULTS OF HAMPSTEAD HORTICULTURAL SOCIETY'S ACTIVITIES

HHS GARDEN PARTY on Thursday 27th June went with a swing, a full house, lovely evening to see Gerlinde Kathuria's garden, lots of drinks and snacks, the quiz cleverly prepared by Carol Bateman. Thanks Carol, and thank you Gerlinde.

Coach trips

Our photos will show you the happy band of people visiting **Copped Hall on 7th July followed by Beth's Chatto's Garden.**

We were all surprised to find a massive walled garden, the best catering and sale of plants and home grown vegetables at Copped Hall. Because so much work has gone into the restoration of Copped Hall and Garden (still on going) we needed more time for the morning visit. The chair of the Charity Trust gave us a short history tale on the house and grounds walked us through the self grown wooded area which soon will be fire wood? To the walled garden and glass house. Just time for a drink and cake, a bit of shopping, I bought broad beans. (Rosie, we all want another leisurely visit.)

Beth Chatto's was all very beautiful. The Gravel Garden, the Water Garden, the Reservoir Garden, the Wood Garden and the Scree Garden outside the house were very pretty. There were greenhouses and an outside nursery with plants for sale, and of course we bought! Glad to say we had plenty of time, to have lunch and tea.

The HHS Autumn Show on Saturday 21 September was held in All Saints Church hall in Church Walk, Childs Hill, a semi-rural country road not far from Hendon Way. The weather was good and there were the usual number of enthusiastic gardeners bringing their produce and flowers in the morning for judging. Members also brought home made cakes for teas. Greeting the public when they approached the hall was a large selection of plants for sale. It is just a shame that so few members choose to bring even one plant to exhibit, it would be so good to have more.

The novelty this year was to have a talk half way through by gardening expert Mike Jackson from the Camden Garden Centre on preparing your garden for winter, ready for spring. Exhibits were pushed to one side for a screen and people sat to watch his talk. The enthusiastic audience asked so many questions that they had to be stopped for lack of time, for the show to be continued.

Anne Rowe

As usual after viewing the classes of flowers, vegetables, cooking and photos it was time to sit and enjoy home made cake and drinks. There was a happy social atmosphere and every one was waiting for our speaker. Sadly we did not give him enough time to cover the full topic of Preparing your garden for Winter and Spring. Mike Jackson from the Camden Garden Centre spoke about the wonder root grow Mycorrhizal fungi and how it symbiotically develops when added to your planting ready for spring in the garden or pots, developing secondary roots. Fruit trees, shrubs and indoor plants (not brassicas and ericaceous). There were many questions on our favourite topic of bug elimination, especially the vine weevil. We were told the best organic way to saving birds, harmless bugs, pets and most of all us, is the nematodes, and we heard the gruesome detail of bug eating bug.

As we said there was not enough time and we all voted for Mike to return.

The end came with the regular raffle.

HHS Members Forum Section

The committee is producing a programme in booklet form with the Hampstead Horticultural Society rules, Schedules, Garden Centres that allow us 10% off, appropriate adverts and the table of Activities for 2014. We hope you will find this booklet convenient. Keep in safe place and have at the ready.

I am sure that you have noticed adverts appearing in the Newsletter and the Booklet which will help fund the printing of our Societies news, and make a more enjoyable read.

Mid June – mid July – Coach trip to Loseley House gardens, near Guildford

Look out for the Newsletter and the new programme booklet in the New Year for details of our day tours and week-end trip.

London Garden Walks

There is a lovely walk long or short, up hill or just close to the café at:

Waterlow Park, Highgate on 26th of June 2014 meeting at the Lauderdale Cafe starting at 1.30 pm. which means get there at 12 ish for lunch or bring sandwiches.

The Park was donated to the gardenless in the 1800 by Sir Sidney Waterlow:-
And now Camden Council with a great deal of help from volunteers have created a space for all to enjoy. There's lakes with water fowls, ducks, ducklings and geese and the wild life sanctuary easily available for all to see. rose garden, herbaceous and rock garden, an orchard including a small allotment area for locals.
Check it out at: www.waterlowpark.org.uk

In the middle of May I hope to visit **Myddelton House Garden** in Enfield, I shall write up travel route and time if any one is interested in joining me.

The garden opens at 9.30 to 6 pm Free entry. And has a tea room
This is a lovely time of the year when Spring flowers are still flowering and Summer perennials are shooting through the earth. A time of anticipation.
