

HAMPSTEAD HORTICULTURAL SOCIETY

Hello again, hope you all feel as cheery as myself, it's that **SPRING** feeling, writes the Editor Mary Betts. I've been to the RHS Spring Show and taken part in Gardeners Question Time. – more on that in the HHS members forum section. **Now we look forward to our own Spring Show on Saturday 13 April.** We are all grateful to Ken Ellis for standing in as Chairman for one year and supporting the committee with his helpful codes of practice and driving ambition that HHS should continue. Thank you from all of us. I have printed Yvonne Byng-Maddick's secretary's report, we are sorry to see her go and thank her for all her hard work in the committee and for HHS. **Now how about the AGM, who missed out of the decision making?**

Annual General Meeting on 10th March 2013

The meeting was different, we did not follow strict rules of the agenda and I think it went very well with members all getting involved.

Apologies included Yvonne Byng-Maddick, Hilda Gill

Minutes 2012 AGM – and matters arising.

Chairman's Report year 2012-2013 – The Chairman was happy that he had helped in the continuation of the HHS which was almost closed down in 2012 and that more members are using the internet, www.hampsteadhorticulturalsociety.yolasite.com. He has forwarded to the Editor a helpful write up on free learning for those of us still struggling. And he endorses the use of volunteers to help the HHS committee.

Secretary's Report – see below

Treasurer's Report – The Income and Expenditure accounts for the year ended December 2012 were presented and approved at the AGM and are reprinted in this Newsletter, and a reminder to members that funds were diluted due to spending on coach trips in 2011 expecting closure of HHS.

Election of Officers and Committee

Hon. Chair: Rosie Hunt

Vice-Chair: Anne Rowe & Bookings Secretary

Secretary: Valerie Cedar (Volunteer)

Hon. Membership Secretary & Vice President: Mrs H. Gill,

Treasurer: Heidi Corsi.

Committee: Gerlinde Kathuria, Moira Latham (Membership Database) Mary Betts (Newsletter Editor) Kalyani Pal, Joan Payne, Margaret Scanlon.

Committed Volunteers: Pat Webb & Lisa Webb (Mailing distribution).

We are very pleased to welcome back with some position changes the Officers, committee members, and the new Secretary Valerie Cedar, and three cheers to Heidi Corsi who started the meeting resigning and is now bravely continuing.

Mary Betts

Secretary Yvonne Byng-Maddick's report gives a clear picture of the year's activities 2012.

This is my first and last report as Secretary and Committee member of the HHS, I am standing down due to increased family commitments. I will continue to help at Plant Sales and Shows.

It has been a very challenging year with a new Chairman and new committee members, including me. We have, of course, been really fortunate to have Margaret Scanlon, Joan Payne and Gerlinde Kathuria to provide constant support, and guidance, as to how the Society has been run, and in endless other ways.

Mary Betts has worked tirelessly on the Newsletter & as Show Manager, including finding the charming Church Walk venue for shows, (directed by Margaret Scanlon) and Gerlinde has provided the venue for meetings and the Garden Party, and has managed to secure an excellent venue for the Plant Sale. All Committee members have contributed massively towards the continued success of the Society. Also, Pat & Lisa Webb, as volunteers, have printed and distributed the Newsletter.

However, the dwindling membership causes continuing concern, and we have discussed ways of attracting new members many times. Moira Latham has had the arduous task of updating the membership database, and it really helps when members have an e-mail address and can receive the Newsletter & Programme by e-mail.

The Shows and Plant Sales need to be supported more by members, and it would be wonderful to see more members exhibiting at the Shows.

The Floriade trip organised by Ann Jones was very successful, with a very good Brightwater guide.

I look forward to seeing the Society thriving with a new Chair, and existing and new Committee Members,

And a final thank you again to Margaret Scanlon for all her contributions, and for holding her final very successful Plant Sale in her lovely garden.

Learn to use a computer free of charge – From Ken Ellis

AGE UK CAMDEN Marcia Fernandez has offered Society Members free computer lessons. Marcia is in charge of teaching other people throughout Camden how to master a computer. Many older people have benefited from the lessons she provides.

She shares my view that people who refuse to use a computer will find themselves at a disadvantage, if they have not done so already.

The free course consists of ten lessons, including how to use email, and takes place weekly at a local library or at Age UK Camden's new training-room at their headquarters in Tavis House, 1-6 Tavistock Square, WC1.

To qualify for the course you must be 50 or over. Those under 50 can refer to other free courses.

HHS Members – your committee is working hard for you and in return someone must have a short story for the next Newsletter. Members with ponds – have the frogs returned? Beekeepers, how are they doing? Let's hear how members deal with uninvited pets. (cats/pests) Do you know any one who might like to advertise in the Newsletter at very reasonable rates?

We look forward to members' stories, any hints to help new gardeners, places you want to visit and what You would like to see in your Newsletter. Email Mary Betts gladyswood1@talktalk.net Tel: 020 7625 9726

Deadline for the July Newsletter is 20th June 2013.
