## Newsletter JULY 2012

Hon. Secretary: Yvonne Byng-Maddick  
[yvonnebm@madasafish.com](mailto:yvonnebm@madasafish.com)

### From the Editor

The **Spring Show 14<sup>th</sup> April 2012** at All Saints Church in April was a friendly, jolly event. The hall was smaller than our usual venues and we panicked a little when setting up the tables, and where were we to have tea and cakes. However it turned out to be quite cosy. The plant sale at the entrance was a good attraction and sold fast, members on duty had to wear an extra woolly, but at least the rain stayed off! But Not for Long. Results of the Show are on page 3

**Margaret Scanlon's Garden Plant Sale on Saturday 12<sup>th</sup> May was well attended**, it was a beautiful day with HHS members contributing many types of well grown plants. And wonderful home made cakes donated from the committee and members.

Which brings me to donations for the raffle, gifts will be very welcome, and these can also go towards tombola or similar game at the Plant Fairs. We are on a crusade to rebuild the Society's Funds. We hope that at the next AGM in March 2013 members will agree to £1 increase to subscription which does not come into force till 2014 so in the mean time its pot up for the next PLANT SALE at the Autumn show, cuttings, seedlings and over grown perennials, and please help by labeling each pot.

Did you miss our **Annual Garden Party** at Gerlinde Kathuria's? The garden is as beautiful as ever although she did not open for NGS this year. Gerlinde tells me it rained, this did not put members off venturing into the garden with their brollies. The idea of the garden party is to give members a chance to meet and chat for a pleasant, relaxed, evening. We hope members take photographs to go into the next edition.

Check out the **Autumn Show Schedule**, we look forward to a wonderful display, turn up and take part, just one item or many, be part of the Show if your plant has let you down, don't worry come for the tea and cakes, buy another plant, and make a friend.

Rosemary Hunt and Ann Jones have been organizing coach outing and four day trip to the Netherland, you should of all received either email or postal information. Sadly there was not enough interest for the Sunday 17<sup>th</sup> Trip to Copped Hall & Beth Chatto's Garden. The Floriade trip is still on at a very good price arranged by Ann with "Brightwater" If there are not enough of us "Brightwater" is still willing to continue BUT the price is slightly more all we need is 25 person to keep the price down. Contact Ann Jones [gardann@yahoo.co.uk](mailto:gardann@yahoo.co.uk) further information under **TRIPS BY TRAIN OR COACH**

## **Hampstead--the lucky Society**

**From your Chairman --- Ken Ellis**

LONDON IS surely now the best capital city in the world (move over, New York).

Hampstead is a renowned part of the glory. People come from far and near to visit Hampstead Heath, and to see the historical greenery of Hampstead's slopes and streets.

The Hampstead Horticultural Society enjoys the privilege of a home here, among the achievements of centuries. Some of the plants that with modesty (or otherwise) we grow were described by immortal writers.

We are lucky to be able to grow a plant and then read about it in a poem or other that holds its place in the front rank of English literature.

The internationally famous John Keats is our local boy made good.. A quotation from his Ode to a Nightingale heads the Hampstead Horticultural Society website:

In some melodious plot  
Of beechen green, and shadows numberless

Perhaps we have been too modest during the years, and not seen how great and an advantage to us is our name.

This is the time to do something about it. Already we have recognized the interest in a history of the Society, and a Member is about to gather material for it. How we use the name of Hampstead, of course, is the subject for many meetings and discussions. Your suggestions and help are welcome.

We are in need of funds. The Society has been saved from closure, but narrowly, and we need to build a store of both savings and helpers.

The Committee and I hope to meet you at our events. Remember, being in Hampstead, might give us a head start in plants, poetry and proficiency!

**Ken Ellis**

## **HHS Members FORUM SECTION**

### **About HHS, outings, where you would like to Visit?**

**Have your say, contact:** Rosemary Hunt Trip Organiser: [rosiehunt@blueyonder.co.uk](mailto:rosiehunt@blueyonder.co.uk)

I would welcome members to comment about their thoughts, criticism which helps us grow, what Topics would interest you for future meetings, just a couple of lines or 100 words, you do not need to give your name, it will make our Newsletter more fun to read. A chat section?

### **Back copies of Garden magazines**

Old copies of magazines can be brought to our Fairs and meetings for members to help themselves to: **donation always welcome**

How many members would like to take part in **garden/or balcony/or window box competitions?**

Email to us so we can plan ahead for next year.

Could include individual cut flowers, a handful of runner beans, an apple, tomato, sprig of honeysuckle, a few herbs etc. The diversity and quality of plant material is of most importance. Material may be placed on moss or have ends wrapped in foil to conserve moisture. Oasis and jars of water are not permitted.*

### Floral Art Section

Alcoves will be provided for class 22 and 23. The alcoves are 81cm high x 55cm wide (32ins x 22ins) at the rear. The sides open to a maximum of 63cm (25ins). Bases are allowed in all classes unless otherwise stated.

NAFAS rules state that the following will lead to disqualification:

- 1) Failure to comply with any specific requirements for a class as stated in a show schedule, i.e. in the measurements or the components.
- 2) Inclusion of any fresh plant material that does not have its roots or the cut ends of its stems in water or water retaining material. Air plants, cacti, fruits, grass turf, lichen, moss, succulents and vegetables need not conform to this ruling.
- 3) Inclusion of artificial plant material (unless specifically allowed by a show schedule)
