

URGENT NOTICE – ACT NOW!

Should Hampstead Horticultural Society live or die? It's up to you!

Do you want HAMPSTEAD HORTICULTURAL SOCIETY to continue?

In order to plan and operate each year's programme a committee and officers are essential. We have no officers for 2012 onwards.

If you do want the Society to continue, **nominate yourself** for one or more of the following posts by entering your name and returning this form to:

Margaret Scanlon, 17 Sanderstead Avenue, London NW2 1SE,

tel: [020 8452 3143](tel:02084523143), e-mail: marscan@talktalk.net **by 30th August**

Chairman.....

Chairs meetings and committee meetings, spokesperson for Society

Hon. Secretary.....

Arranges meeting dates and venues and speakers, takes and circulates minutes

Hon. Treasurer

Deals with income and expenditure for the Society

Newsletter editor.....

Not an officer, but works with the Secretary to produce the Newsletters and the annual programme

Database organiser

Works with the membership secretary, keeping the electronic database, producing membership lists as required and address labels for mailings to members.

Other committee tasks include organising coach outings, running the Society website, photocopying and mailing newsletters, assisting the secretary with booking judges etc, acting as secretary for Shows, helping at all events.

If you make no response to this notice we will understand that you are in favour of the Hampstead Horticultural Society winding up the AGM on Sunday 4th March 2012

JULY 2011

Future of Hampstead Horticultural Society

Members will realise that the events in this Newsletter will be our last. We are unable to plan a programme for 2012 because our Officers are retiring and we have no replacements. In the circumstances, the October Newsletter will be the last one I shall produce for the Society, although a notification of the AGM and lecture to be held in March will be circulated in January. It is likely that the October Newsletter will outline the practicalities of winding up the Society and that after the AGM in March 2012 Hampstead Horticultural Society will sadly no longer exist. Current members might wish to join one of the two other local groups, Highgate Horticultural Society or Hampstead Garden Suburb Horticultural Society.

Coach Outing, September 17, Saturday Frogmore House, Berkshire and the Savill Garden, Surrey

Pre-booking essential for this visit and Nigel Bee must have your name not later than 3rd September

Frogmore House in the private Home Park at Windsor is renowned for its beautiful landscaped gardens. Queen Charlotte (wife of George III) was very interested in botany and laid out the garden at Frogmore with rare and unusual plants. In 1932 Queen Mary gave Eric Savill permission to develop a garden in Windsor Great Park. The creation of the 35 acre garden was later followed with great interest by Queen Elizabeth the Queen Mother and the Temperate House is dedicated to her. The beautiful herbaceous borders are particularly good in August and September. The Savill Building has a shop, plant sales and a restaurant.

Departure: Lyndhurst Road (outside the converted church) at 9.15
rear of Waitrose, near Finchley Road Tube Station at 9.25

Cost: £20

To book please complete the form at the end of this newsletter. Queries to Nigel Bee on 7435 8823

Autumn Show - Please note change of date!

The HHS Autumn Show is on **Saturday, 3rd September**, at Gospel Oak Methodist Church, Agincourt Road, NW3 Shows are more fun if you enter one or more classes – give it a try and you might be surprised at your success. Wholesale Bulbs

Don't forget to order your wholesale bulbs immediately. These bulbs are very good value and we are grateful to Mrs Gill for continuing to offer this service to members. See page 3 for details. **Closing date for orders 5th August**

Garden Party

Our garden party was again held in Gerlinde Kathuria's beautiful garden in Hamilton Terrace. The garden looked lovelier than ever and we were lucky with the weather. About fifty members and friends came along to enjoy the garden and to have a chat with friends old and new. We are very grateful to Gerlinde and her family for their hospitality and the work they do to make the garden party such a successful occasion. Thanks also to all the committee members who helped to make the evening go smoothly, particularly Margaret Scanlon for the food and Joan Payne for her efficient organisation.

Greenhouse needs a new home

I have a Robinson greenhouse, 6ft by 8ft, (height 7ft at apex) which I wish to part with this autumn. Anyone who would be interested in taking it on please contact Carol Bateman on 020 7485 0178, or e-mail carolbat@blueyonder.co.uk. The deal is that the new owner helps to dismantle the greenhouse and takes it away. Further details and pictures, or viewing, on request.

Summer Garden Tour to the Welsh Marches, July 2100

This weekend tour was enjoyed by 37 members and friends, based at the delightful Feathers Hotel in Ludlow. The group visited a variety of interesting gardens over the three days. Particular highlights were the two gardens visited on Saturday, Hergest Croft and Stockton Bury Gardens. At Hergest croft the guide was very interesting about the arboretum, the gardens have one of the finest collections of trees and shrubs in the British isles. Stockton Bury gardens had outstanding planting, all in beautiful lush condition and the group thoroughly enjoyed both the garden and the plant sales in the nursery. On Sunday morning after inspecting the walled vegetable garden at Hanbury Hall, Droitwich, the group were delighted to be able to purchase fresh produce, grown for the restaurant, at knock-down prices. The parterre, seen from the viewing gallery, was planted with vivid geraniums and African marigolds, producing an almost psychedelic effect. In the afternoon Brook Cottage, with its steep hillside garden, was an interesting visit and the owners provided a delicious tea. Many thanks from everyone to Margaret Scanlon for making this trip possible and organising it.
